- After the theft or attempted theft of the **vehicle** or its contents, **we** will pay the costs of repairing the damage to **your vehicle** or pay for replacement parts up to £200, which are needed for emergency roadside repairs to make **your vehicle** secure.

D4 Not being able to use your vehicle

What is covered

If during **your journey your vehicle** breaks down and it is not safe to drive, and it will take at least eight hours to repair, or if it is stolen and not recovered within eight hours, **we** will arrange and pay for the most appropriate solution from one of the following options.

- **Option 1:** To move **you**, **your** passengers and luggage to where **you** were originally travelling to, and then, once **your vehicle** has been repaired, take **you** back to **your vehicle** or bring **your vehicle** to **you**.
- **Option 2:** The cost of hiring another car while **your vehicle** is being repaired. **We** will pay up to £70 a day and £750 in total, as long as **you** are able to meet the conditions of the hire-car company. or
- **Option 3:** **We** will pay for bed-and-breakfast costs of up to £40 for each person each day (£500 in total for everyone in **your** group) while **your vehicle** is being repaired, as long as **you** have already paid for **your** original accommodation and **you** can't get **your** money back.

We will then choose the most appropriate solution from the following options.

- Take **your vehicle** to **your home** or **your** chosen repairer in the UK.
- Pay the cost of one rail or sea ticket (or an air ticket if the rail or sea trip would take more than 12 hours) for **you** to go to get **your vehicle** once it has been repaired.

What is not covered

- Any costs **you** would have paid anyway for travelling **home**.
- The costs of returning **your vehicle** to the UK if **we** believe that the cost of doing so would be greater than the market value of **your vehicle** in the UK, after the **breakdown**.

- Anything mentioned in the general exclusions. (Please see section E.)

Section F

General conditions applying to all parts of this policy

1. The **vehicle** must be permanently registered in the UK and, if appropriate, have a current MOT certificate and valid road fund licence or tax disc on display. The **vehicle** should be kept in a good condition and have been serviced regularly in line with the manufacturer's recommendations. It must be less than 16 years old since first registration (11 years since first registration if **you** want help within Europe).
2. If **we** arrange for temporary roadside repairs to be carried out after damage to the **vehicle**, or **we** take the **vehicle** to the place **you** have chosen, **we** will not be legally responsible for any more help in the same incident.
3. **We** have the right to refuse to provide a service if **you** or **your** passengers are being obstructive in allowing **us** to provide the most appropriate help or if **you** or they are abusive to **our** rescue controllers or **our** recovery operators.
4. **We** will not pay **you** any benefit unless **you** contact us using the emergency phone numbers provided. **You** must not try to contact any agent or repairer direct.
5. **You** are responsible for keeping the **vehicle** and its contents safe, unless **you** are not able to or **you** have an arrangement with **us** or **our** agent. **You** must be with the **vehicle** at the time **we** say **we** expect to be there.
6. **You** must quote **your** policy number when **you** call for help and have the relevant documents needed by the repairer, recovery specialist or **our** chosen agent.
7. **You** will have to pay the cost of moving the **vehicle** or a repair vehicle coming out to **you** if, after asking for help which **you** are entitled to, the **vehicle** is moved or repaired in any other way, or **you** have provided location details which are incorrect. The payment must be by credit or debit card.

8. **We** are not responsible for any actions or costs of garages, recovery firms or emergency services carrying out work or acting on **your** instructions or the instructions of any person acting on **your** behalf. **You** are responsible for ensuring the quality of any repair.
9. If **we** pay a claim under any cover provided by this insurance, **we** will be entitled to ask for all reasonable help from **you** to take action in **your** name to get back **our** costs from another organisation.
10. The **vehicle** must carry a serviceable spare tyre and wheel for the **vehicle** and any caravan or trailer attached to the **vehicle**. This condition does not apply if the **vehicle** is not designed to carry a spare wheel. If the **vehicle** is not designed to carry a spare wheel, **you** will need to carry the appropriate aerosol repair kit.
11. **We** have the right to choose a suitable garage that can carry out a repair, which **you** must pay for, as long as the garage can carry out the repairs within the time limits **we** have given. You must make the payment by credit or debit card.
12. If **you** agree to a temporary roadside repair, **you** will be responsible for any costs or any damage to the **vehicle** it suffers if **you** continue to drive the **vehicle** as if a permanent repair had been carried out. **You** acknowledge that a temporary roadside repair is aimed only to allow **you** to drive the **vehicle** to a suitable facility so a permanent repair can be carried out.
13. If the **vehicle** needs to be taken to a garage after a **breakdown**, the **vehicle** must be in a position that makes it reasonable for a recovery vehicle to pick it up. If this is not the case, **you** will have to pay any specialist recovery fees by credit or debit card.
14. **You** will have to pay, by credit or debit card, for any parts or other products used to repair the **vehicle**.
15. **We** will not arrange for help if **we** think that it would be dangerous or illegal to repair or move the **vehicle**.
16. During any 12-month period **we** will not be responsible for more than two claims which arise from a common fault on the same **vehicle**. During the same period **we** will not be responsible for more than five claims in total for the same **vehicle**. If **you** need **our** help for more than the number of claims allowed on **your** policy in a 12-month period of cover or more than twice for the same fault on the same **vehicle**, **you** will have to pay for the services **we** provide. **We** will ask for a credit-card number or debit-card number before **we** help **you**.
17. If **you** are covered for **breakdown** by any other insurance policy or warranty, **you** must tell **us**.
18. If **you** are not willing to accept **our** decision or **our** agents' decision on the most suitable type of help, **we** will not pay more than £100 for any one **breakdown** and **you** will be responsible for any other costs due in recovering and repairing **your vehicle**.
19. **We** cannot guarantee that hire cars will always be available and **we** are not responsible if they are not available. **You** must meet the conditions of a hire-car company to hire a vehicle.
20. This insurance contract is between **you** and **us**. Any person or company who is not involved in this insurance policy has no right under the Contracts (Right of Third Parties) Act 1999 to enforce any condition of this insurance policy. This does not affect any other rights another organisation has apart from under that act.
